

*Make informed decisions to protect
your trees from fire, insects and disease!*

The Natural Resources Conservation Service and the Western Shasta Resource Conservation District invites You to attend workshops to receive information on technical and financial assistance and the planning process for management practices to help make your forest more resistant to fire, insects, and disease

**When: Thursday, 6/11/2009 and
Wednesday, 6/17/2009**

**Where: Van Stellman Hall, SVFD
Alward Way and Highway 44
Time: 6:00PM.**

YOU will receive a FREE packet on technical assistance and cost share, a FREE login to a web page that describes the NRCS's programs, and a FREE booklet on the forest planning process, as well as some great snacks.

PLEASE NOTE! The tour of a shaded fuel break scheduled for 6/20/09 has been changed.

**When: Saturday, 9:00am, July 11, 2009
Where: Ridge Rider Parking lot**
